Hoop 2 layers of water soluble vilene and stitch out the design,
Cut away the excess vilene and rinse in luke warm water to dissolve the vilene
Leave flat to dry, iron with a cool iron for a neat finish.

Cut 2 circles the same size as the round dress shape out of bridal netting or organza – any sheer see through fabric will look great, experiment with fabric with a glitter look for Christmas tree ornaments.

Insert the dancer through the slit in the dress, and use a hot glue gun to glue her in place, add the two layers of netting in the same way – add a ribbon through the top of her head to hang.
